

National Council of Affordable Housing Market Analysts
Raising The Bar For Market Studies

Video Order Form

Washington & Policy Update Video

National Council of Affordable Housing Market Analysts recently convened its Spring Public Policy & Market Study Forum April 6-7 in Washington DC. This year's innovative program featured a Washington & Public Policy update by housing industry insiders

- Peter Bell, National Housing & Rehabilitation Association
- Ken Lore, Bingham McCutchen LLP
- Monica Sussman, Nixon Peabody LLP
- David Reznick, The Reznick Group.

The panelists explored critical topics including the American Recovery & Reinvestment Act, congressional legislative priorities, personnel and regulatory changes at HUD and in the Obama Administration and much, much, more...

Want to learn more? You can preview the first 8 minutes of the session on our Youtube channel online at:
