1) All data has been provided directly by the fund sponsors. Accordingly, neither Ernst & Young LLP nor The Tax Credit Advisor take any responsibility for the accuracy of the data or any calculations made by the sponsors. 2) The gross equity needed for properties for which an executed syndication contract is in place, as a percentage of total expected gross proceeds, assuming all single-payment cash investors. 3) The estimated expense load is the percentage of gross proceeds the sponsor expects to expend for offering costs and expenses, acquisition fees and expenses, brokerage commissions and all other front-end costs (other than working capital reserves) assuming all available units are sold to single-payment cash investors.
