

# *Bringing It Home* **For Investors For Developers For Communities**

## **More than 50 Years in the Making: Our Commitment to Affordable Housing.**

Founded in 1969, Boston Financial has raised more than \$14 billion in equity invested across 2,900 affordable housing communities nationwide. As we look to the future, we remain committed to affordable housing while fostering a culture of collaboration, fiduciary responsibility, and exceptional client service.

## **Purpose-Driven Business.**

Boston Financial is a purpose-driven business and proud to be a subsidiary of ORIX Corporation USA, which has donated more than \$20 million to a variety of nonprofits across the nation over the past 10 years. We believe the communities we invest in not only give residents a place to live, but also hope.
