

Why should you participate in the Affordable Housing Bridge Program?

“To ensure our sector has a broader array of talent in the future – particularly more people of color with relevant lived experience, and with the training and skills needed to excel in the field – this collaboration with Project Destined is both the right thing to do and the right way to do it.”

Patricia Belden, EVP Real Estate Development, The Community Builders

Now recruiting
sponsors for fall
2023- program
starting late
September!

- Does your organization have open positions that need to be filled ASAP?
- Need to create bench strength for future growth?
- Are you committed to advancing your DEI goals and demonstrating affordable housing as a career path?

If you answered “YES” to any of these questions, use the QR code or email shell@housingpartnership.net for more information.
